SPC Wi-Fi On Android

- 1. Swipe down from the top of your device and long press on the WiFi icon to open wireless connections.
- 2. Select SPCnet
 - a. If you have previously connected to SPCnet or SPCnet-Guest please select the gear icon and 'forget network'
- 3. Enter your SPC username under identity and **password** and select connect (not the full email address)
- 4. Under CA Certificate, choose Select Certificate and select **Don't validate**. All other settings will be the default.

< SPCnet	< SPCnet
Identity	Identity imastudent
Password Enter password	Password
CA certificate Select certificate	CA certificate Don't validate
Auto reconnect	No certificate specified. Your connection won't be private.
