GRADING POLICY:

A. Attendance & Participation – 80%

Each absence after the first absence = 4 points: Each tardy = 1-4 points:

1. Only excused absences may be made up. Excused absences are school related activities (basketball, rodeo, student government, etc.), illness, death in the family, etc. Studying for test, visits to the counselor's office, making up other classes during a scheduled swim class, are not excused absences.
2. The excused absence must be explained to the instructor by the following class. A student may make a phone call to the above phone number, but we must personally talk. Leaving a message DOES NOT suffice.
3. It is the student's responsibility to tell the instructor about excused absences. If the student fails to tell the instructor about the excused absence by the following class, it will be marked as an unexcused absence and the student will not be able to make up the class.
4. A maximum of 2 classes may be made up. If someone misses due to Covid, they can make up all additional absences for the virus, after the first two.
5. The student may have a total of "6" absences before being dropped. A student may also be dropped for missing four consecutive classes (2 weeks) without contacting the instructor. A student will be dropped if they have 3 unexcused absences in the first 30 days, or 4 weeks, of classes.
6. A tardy may not be made up. Tell the instructor of any reason for an excused tardy. If a student's tardies are equivalent to more than one absence, then the student will be required to take the final.
7. Procedure for making up an excused absence. Last day for make-ups: 4/29/22

A final written exam will be given over all material in class. A student will be exempt from the final if they have not missed more than one class and have a 70 average on swim skills test.
